New Business:

- Porta John service in Coventry will stop soon; if you need to go use the woods, use the Porta John when necessary...
- Directors and Officers Insurance will be ordered. If there is any questions about this, please contact someone on the board.
- The investment account has been questioned recently. The club is invested safely with low risk, low return. The decision at the meeting was to leave the account alone.
- Officer Nominations:
 - President – Rich P.
 - Vice. President – Bill T.
 - Secretary – Ron V.
 - Treasurer – Gary W.

Old Business:

- Field Ownership; or the lack there of has come about, again. Jerry K. sparked new interest in this controversial topic by asking what the club had to offer the membership. The most we could say is comradery and convenient locations to fly. The point is we need some help and fresh eyes looking for a field. If you have something available or know of a field, please make sure you have contact information for the land owner(s) before you contact the board.

Meeting adjourned at 8:30.
